Description sommaire des tâches

Job Purpose

Dermalogica à Montréal is looking for an energetic part-time Skin Therapist to join our incredible team of skin care therapists at our flagship location in the old port of Montreal! Working as an integral part of the team, you will have the opportunity to build lasting customer relationships while striving to meet overall store goals and objectives, providing clients with a full range of personal skin care solutions and services.

Duties and responsibilities

Dermalogica Treatments. The ultimate goal of this role is to provide outstanding skin treatments to consumers, Dermalogica prospect accounts, media, and students. You will be helping spread brand awareness and showcase the power of a personalized Dermalogica Skin Treatment. You will be responsible for the productivity of the treatment room, increasing your client base while maintaining your loyal clients.

Grow Dermalogica Retail. You will help our store reach its goal in growth by retailing after service, you will also be helping out at the front desk when needed, further increasing your touchpoint with store sales.

Be a cheerleader for the Education Team. As an integral part of the education team, you will be an advocate for all things education. Help instructors with set up/take down of their classrooms, helping with new treatment techniques, helping out with education/sales/consumer events, etc. No task is out of your realm for support!

Essential skills

You love to connect with people. You are driven by your client's satisfaction, always wanting to give them the best treatment and it is natural instinct to follow up with them.

You have a positive attitude and are always looking to help out. You have a sunny, welcoming, and outgoing personality and have the innate response to always help out teammates.

You are curious. You want to know about everything about the skin and Dermalogica products. You are up to date with all new innovations, treatments, procedures in the industry.

You have a high level of initiative. You do not wait to be asked, you see an opportunity to better the business and you do something about it. You are able to foresee what needs to be done and execute on it without much guidance.

You are adaptable. When things change last minute, you are able to adapt to change.

You are flexible. To work on evenings and weekends.
